Greeters Ministry

Purpose: The purpose of this ministry is simple: To meet and greet members and visitors to our church services. Greeters are our “front door,” providing a warm welcome and directions as people arrive for worship.

Responsible to: The ministry coordinator is Beth Sheasby, who serves as contact person for this ministry. The St. Peter church staff person providing direction is Lead Pastor, Micah Greiner.

Job Description: Greeters arrive 15 to 20 minutes prior to the worship service. They share a smile and “glad to see you” greeting with people as they arrive, providing directions and assistance as needed. The greeter coordinator maintains the ministry roster, and welcomes and trains new volunteers. They serve as the contact person and, in general, seeks the good of the ministry! When more greeters are desired, they partner with Karen Kogler in the recruitment process.

Time Required: Greeters are scheduled through MSP, our online scheduling tool. Most people serve once every 3 to 6 weeks, but you determine your own frequency. The Greeter Coordinator serves an additional 1 to 2 hours per month as needed.

Length of commitment: It’s helpful if you serve at least one year. You are on the schedule until you let us know you wish to be removed.

Training provided: One of our current volunteers would be happy to greet with you the first time.

Qualifications or special skills: A smile and a desire to welcome worshipers to our church.

Benefits to the volunteer: This is happy work, and a nice way for parents and children to serve together. You’ll often meet new people and reconnect with friends.
