

Worship Team

Purpose: The Worship Team leads the Modern Worship Service each Sunday. Besides singing or playing an instrument, we want to worship God with our heart, mind, and gifts, and help people to know the God we serve. We will use our gifts to introduce not-yet believers to the God we worship and encourage believers in their faith walk.

As a worship team, our purpose is 3-fold:

1. Facilitate a gathering where the God of the universe will be worshiped—where we can receive from Him His gifts and give back our worship and praise. (Phil. 2:10-11)
2. Facilitate a time for the saints to gather and encourage one another (Heb. 10:25)
3. Facilitate a gathering where unbelievers joining us will know without a doubt that God is among us (1 Cor. 14:25)

Responsible to: The team is led by Jonathan Frohn, Modern Worship Leader. Overall ministry direction is by the Lead Pastor. If you are interested, contact Jonathan at jfrohn@FullLifeInChrist.org or via the Church office.

Job duties: Worship Team members participate as a group to lead worship. This includes guitarists (acoustic, electric, bass), keyboards, percussion, vocalists and other instruments as appropriate or available (violin, flute, etc.) We also spend time in the Word as a team so that we can lead with the Truth with which we have been filled.

Time requirement: Rehearsals take place on Thursday evenings, from 7:00-8:00 PM and/or Sunday mornings at 8:45AM (rehearsal schedules are communicated on a weekly basis). Worship Leaders and Musicians are required to prepare the selections using Planning Center Online and come to rehearsals prepared. When scheduled, Worship Team members lead the Modern Service at 10:00am.

Length of commitment: Team members are scheduled based on ability, need and availability. This varies for each individual.

Skills/qualifications: You will need to be able to read chord charts and/or lead sheets. We do a lot of listening and then reproduce to the best of our abilities.

Benefits to the volunteer: Offering our worship and praise, as well as being a witness to others, fulfills the calling Jesus gave all those who wear His name. You will benefit from the time in God's word, singing His word in song, and enjoying fellowship with others whose heart is set on Jesus!
